**Objectives**

- To Sensitize the students on social issues
- To enable the students to develop people oriented attitude and to imbibe the spieit of concern for others
- Eo empower the rural and exonomically backward women
- Extending the learning beyond class rooms and into the community

Inseptember we started our extension programmms. This year to adopt the villages, six departments have come forward. The various departments and their adopted villages are, Commerce - Kovilpappakudy, B.Com with computer application - Podhumbu, Homescience - Athalai, B.B.A - Rangarajapuram, Tamil - Thandalai, M.S.W - Milankaranai.

At first a study was conducted with a well structured questionnaire. The students visited every house to take the survey. This helped to lacate the area to bne concentrated on and accordingly they proceeded the work. They

focused their attention on health hygiene, environment protection and consumer rights.

All other majors have undertaken teaching in the government schools and corporation schools, where they do not have sufficient teachers and infrastructures. They visited the school once in a week. They were not only teaching a particular subject but also values for their life.

On November 20<sup>th</sup> 2010 we distributed saplings to ten villages with the help of WEAT. The people were happy to receive the saplings.

On February 15<sup>th</sup> 2011 we conducted a science exhibition at Pothumbu High School. Students from ten Schools profited out of it. Dr.Sr.Nirmala, Pricipal inaugurated the exhibition. Mr.Narayanasamy, director, Tamilnadu Science Association delivered the keynote address.

Extension activity is being given the utmost importance and seriousness. So from this academic year 2010, our college has made the extension activities as mandatory for all third years, 100 marks are allotted with two credits . Minimum five visits is compulsory.

- ❖ Every year Orientation Programme is given to the newly appointed staff to initiate them into the working culture of the institution and make them familiar with the aims and objectives of the College.
- ❖ Performance of the teaching faculty is evaluated by students by means of a questionnaire.
- ❖ Class teachers are assigned with the duty of identifying economically poor students and get the available assistance for them from the College.
- ❖ Deans of Students are appointed to familiarize the students with the various competitions conducted and show them the umpteen avenues open to them.
- ❖ Twice in a semester Principal holds General Staff Meeting to share information and discuss matters concerning various activities of the College. Once in a semester College Council Meeting is convened to

explore newer dimensions of Higher Education and formulate ideas and policy taking decision.

- ❖ Weekly Departmental Meetings are held to verify whether the teacher is progressing according the time schedule allotted for the units.
- ❖ Teaching days / contact days in a year is about 200 so as to include many activities that would raise the performance level of the institution.
- ❖ Employees and students feel free to approach the Management or Principal and share their grievances and find solutions for their problems. Grievance Redressal is actively operational for students. They meet the Principal in-person or give in writing the areas of their complaint.
- ❖ A SWOT analysis of the Management by the entire staff community – both teaching and non-teaching was conducted to make a shift from Quality Assurance to Quality Enhancement.
- ❖ Year-wise, Parents – Teachers meeting are conducted.
- ❖ Campus is eco-friendly.

**b) Research:**

- ❖ Teachers are encouraged to undertake Research, leading to Ph.D. Degree and Minor / Major Project such that they in turn can initiate the students into the analytical examinations of facts and explore newer dimensions of the knowledge.
- ❖ Seed money is given by the College to students and staff for project work to bring Research Culture in the campus.

**c) Examination Reforms Implemented:**

- ❖ The two components of evaluation are Continuous Internal Assessment and Summative Examination.
- ❖ There is no passing minimum for Continuous Internal Assessment.
- ❖ External question setting for all papers except for Language and English (Part I & II).
- ❖ For first and second degree students, valuation is by the course teacher.

- ❖ Transparency mandatory when valuation is by course teacher.
- ❖ Each student is given 8 chances to clear a paper. Following each summative examination, supplementary exams are held to enable a candidate to clear a paper in which she has failed, without carrying it over to the next semester.
