# ACHIEVEMENTS

Fatima College takes pride in pioneering the cause of women's empowerment through higher education. The tall walls of Fatima are etched with the memories of Mother Rose Benedict, the founder of our College, whose determination, perseverance and noble vision made the young women of Madurai step into the portals of Fatima, when higher education was just an unrealized dream for them. Having crossed 69 years of prideful legacy, Fatima College has been imparting value based holistic education to young women with the objective of giving preference to the rural, economically backward and first generation learners.

The Management and the staff of Fatima, through their creative and critical acumen commingled with commendable work culture, earned recognition at various levels. Fatima College, for its invaluable service rendered in the field of higher education, was accredited with the highest grade of 'A++' and cumulative grade point of 3.61 out of 4 in the 4th cycle of NAAC Assessment on November 3rd 2021. The Peer Team appreciated the progress and achievements of the college in conformance to the standards of quality related to curriculum, teaching-learning processes, faculty, research, infrastructure, learning resources, governance, financial well being and student services.

Fatima College introduced Choice Based Credit System (CBCS) in 2001. Since then, the college has raised the bar of Higher Education and has catered to the needs of the stakeholders offering a learner-centric curriculum in the digital era. The College moved from content - based to competency-based Curriculum - Outcome Based Education under CBCS in 2019. This learner-centric teaching pedagogy measures the students' performance through the respective course/ programme outcomes after a considerable period of time. The course/programme outcomes are realised based on the knowledge, skills and attitudes acquired by the learner shaping them into inquisitive researchers, topical innovators, befitting employees of the upcoming job markets and above all better citizens of this global village.
